

Blessing

**Safe
Families**

This Christmas

If you'd like to find out about being a Safe Families volunteer, please speak to the clergy

What is Safe Families?

Safe families is a Christian organisation that connects children, young people and families to volunteers in the community to offer support and belonging.

Safe Families volunteers are currently working with 17 families in Dudley. These families are often facing financial hardship and social isolation.

We would like to bless these families by providing a Christmas gift for each member of the family.

How can I help?

1 Take a gift tag - each tag has the age, gender and family role of the recipient on it.

2. Buy an appropriate gift - up to the value of £10.

We don't know any other information about family members, so please avoid giving alcohol or food.

3. Wrap your gift, attach the tag, and give it to Clergy before 12th December.

Thank You!
